The meeting is called to order by Council President Botti at 10:16 a.m.

Budget 2017-2018:

The group discussed:

1. After further research for a new accounting program it appears that Quick Books, would be sufficient for our needs and would save us quite a bit in annual costs. The City Clerk will be demoing a 30 day trial of Quick Books and will report back to the Council when the demo is complete.
2. Wall Street Development, will be budgeted in our next budget work session, once we have a commitment from the Stanley Bakery and a written proposal from the contractor.
3. Community Building – Boardwalk and flooring in the kitchen, Wallace will have bids for the next work session.
4. Street and Roads – It is necessary to add additional funds for street lights.
5. The Groomer Fund will need to be funded this FY by the General Fund.

Signs for Eclipse:

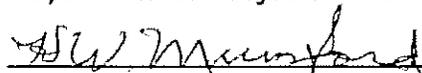

We have ordered road block signs going up to the park, they will be placed at the bottom of Airport Road and Merritt Lane, signs will say "residents only", the policing of the signs were discussed. It was decided that a resolution will be prepared for our next work session, so then we may talk with law enforcement and work out the policing of the road closure signs.

Eclipse Vendors in the Park:

Councilmember Gadwa makes a motion to allow up to two vendors up at the Park from August 18th – 21st, the rental fee will be \$200.00 per vendor, which includes power. The vendor will be responsible for the cost of dumping the dumpster one time. Council President Botti seconds. All approve. Motion passes.
