**City of Stanley  
Town Hall Meeting  
May 23, 2013**

The town hall meeting was called to order at 5:00 pm on Thursday, May 23, 2013 in the Stanley Community Room.

**IN ATTENDANCE FOR THE CITY:**

Mayor Herb Mumford, Council President Steve Botti, Councilmember Laurii Gadwa, Councilmember Melinda Hadzor and City Clerk/Treasurer Doug Plass.

**OTHER ATENDEES:**

Alison Beechert, Keith Reese, Jen Hettum, Michelle Wetzel, Tom Peterson, Jim Wetzel, Debbie Reese and several other unidentified persons.

**PIONEER PARK MASTER PLAN:**

The Council presents the recently approved Pioneer Park Master Plan to the community. It is stressed that this plan is a framework for moving forward, and any particular item in the plan is subject to change as the Council and community decide. The attendees agree that irrigation, and ice rink improvements are likely to be tackled first.

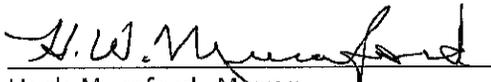

**PARKING IN STANLEY:**

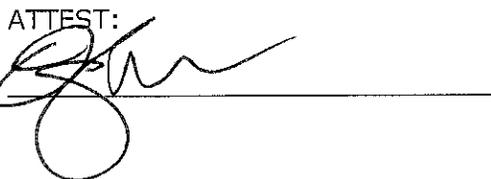

Keith Reese presents a plan to install moveable wooden parking barrier on Niece Avenue that would establish pedestrian walkways by keeping cars out of the street margins. There is a wide ranging discussion about this proposal and other parking issues in Stanley. Objects of broad consensus include:

- No construction of sidewalks or boardwalks in the City rights-of-way.
- No use of parking barriers in the City streets.
- No plan to designate pedestrian walkways throughout the City.
- Designation of ADA parking within the City is supported.
- Use of driveway access designations to ensure access to lots without driveways may be a useful tool.
- Perpendicular parking is encouraged where feasible, but should not be required.

**ADJOURNMENT:**

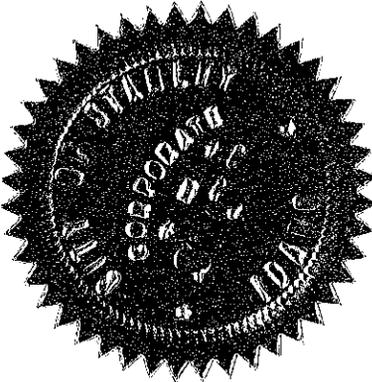

The meeting was called to a close at 6:30 pm.
